Dear Hiring Manager,

I am writing to express my interest in the Intern role for the IT Department at Hitachi. I am excited about the opportunity to contribute to the success of your organization and am confident that my skills and experience make me a strong candidate for the position.

I have a strong background in Machine Learning, Data Analytics, and have completed multiple projects utilizing various techniques and algorithms. My experience includes working with supervised and unsupervised learning. I have experience with popular libraries such as TensorFlow, Scikit-learn, and Keras, and have been able to apply this knowledge to deliver successful projects. I am also experienced in using data visualization libraries such as Matplotlib and seaborn for data exploration and analysis. I am confident in my ability to apply my machine learning, data analytics, and Python expertise to contribute to your organization's goals.

I am particularly impressed with Hitachi's commitment to make content, and I am eager to be a part of a team that is making a positive impact in the IT industry. I am confident that my skills, as well as my ability to work well in a team and adapt to new challenges, will enable me to make a meaningful contribution to your organization.

Thank you for your time and consideration. I look forward to the opportunity to discuss my qualifications further.

Sincerely, Rohan
